

Statistics in the Community (STATCOM)
Michigan State University Student Organization
<https://cstat.msu.edu>

Mission

- To provide pro bono statistical consulting to **local nonprofit, governmental, and community service organizations.**
- To engage students in voluntary, service-oriented statistical consulting and leadership.

Vision

- To apply statistical methods and principles to have a positive impact on communities and institutions that serve those communities.
- To increase communication and collaboration among student statisticians engaged in service-oriented statistics.

Members

Graduate students from quantitative sciences and advanced undergraduate students with a solid statistics background.

New members: If you would like to join, please email cstatinf@msu.edu and sign up at RSO website: <https://msu.campuslabs.com/engage/organization/statcom>

Clients

If you have a project you want to talk to us about, please contact us at: cstatinf@msu.edu
Website: <https://cstat.msu.edu> (Client MOU is under STATCOM link)

Background

The American Statistical Association started a network of Statistics in the Community (STATCOM) programs in 2006. The Center for Statistical Training and Consulting (CSTAT) at Michigan State University supports STATCOM and mentors the student consultants.
